

April 2018

NEWS LETTER

A welcome back after the Easter break, and theres only this month and may before the end of the current season. The **AGM is looming up now on the 29th May so you all need to think about who you want to elect as officers for our next season 2018-19**

- ☀ **Tuesday 10th April** - YES ITS Battle Time again this time at Newport PC. So come along and see what Newport have on offer. The judge is Barbara Lawton FRPS DPAGB

Directions to Newport Photographic Club

☀ **Tuesday 17th April** - Once again its Pdi Competition time. Tonight is the 4th Round and we have a brilliant photographer to judge, John Hartshorne LRPS, DPAGB, BPE3*

For those of you who attended Tues 20th March then you know what John is all about, big prints, landscapes and infrared.

☀️. **Tuesday 24th April** - Tonight we can sit back and enjoy the efforts of some of our club members, who have worked hard to produce audio visual productions.

The usual intermission will occur when Tea / Coffee and bisqueits will be served.

☀️ **Tuesday 1st MAY - Yes I know its May but we have a lot going on in the coming weeks leading up to our AGM**

So tonight is the final round of the print competition and we have a favourite judge , Mr Dave Tucker DPAGB, AFIAP, BPE3*

Chairmans Tip

Choose the best shutter speed for the lens you are using, heres a way to remember :-

$1 / \text{Focal Length (in mm)} = \text{Minimum Shutter Speed (in seconds)}$

(One divided by the focal length)

=====

Heres a useful guide showing the relationship of Shutter speed to Aperture to ISO, this in turn guides you to understanding noise and camera shake.
